WOULD YOU LIKE TO MAKE LOCAL INFORMATION AVAILABLE TO YOUR CUSTOMERS?

✿ INFOPIK stands are strategically placed in busy locations throughout the Kawartha, Haliburton and Peterborough regions.

✿ Brochures and magazines are available to local folk and cottagers, in busy grocery stores, marinas, resorts, malls and places with high walking traffic.

✿ The design of our INFOPIK stand allows for brochures to be fully displayed.. Plus, waste is at a minimum as people only take the information they are interested in, they put back the rest.

✿ Stands are checked regularly, tidied and topped up. There is a number at the top of the stand to call if there is a problem.
